Maria's Diary
26 January 2019

My first trip to the beach was amazing. It was my longest journey! The bus windows showed me very beautiful green fields. We had a short break in Ayutthaya. It took about six hours to get to the beach in Petchburi, and we had lunch at noon near the beach! I learned how to open crabs by myself. We had fun staying at the Rama VI training center, near the beach. I was very happy breathing the sea breeze. I had a lot of fun on this trip.

Subject: science project

Hi Ping, My group is staying at a hotel near the science exhibition hall. Bad news! Some test tubes got broken while we were getting off the train. As you know, we need the tubes for the project. We didn't know where to find them in a short time. And the traffic was very busy during rush hour. The hotel staff suggested that we take the BTS train to a store. It was our first time to take the BTS. It's easier and faster than I thought. We got the tubes in less than an hour! (Wish me luck on the project presentation tomorrow. Cheers!
